NOTICE OF MOTION
(returnable June 22, 2018)

KSV KOFMAN INC. (“KSV”), in its capacity as the court-appointed receiver and manager (in such capacities, the “Receiver”) of certain property of 2284649 Ontario Inc. (“228”), 2270613 Limited Partnership (“227 LP”) and 2270613 Ontario Inc. (“227 Inc.”) and together with 228 and 227 LP, the “Debtors”), will make a motion before a Judge of the Ontario Superior Court of Justice (Commercial List) (the “Court”), on Friday, June 22, 2018 at 10:00 a.m. or as soon after that time as the motion can be heard, at 330 University Avenue, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR:

1. An order substantially in the form attached at Tab 5 of the Motion Record, among other things:
 - (a) validating and abridging the time and manner of service of the Notice of Motion and Motion Record and directing that any further service of the Notice of Motion and Motion Record be dispensed with such that this Motion is properly returnable on the date scheduled for the hearing of this Motion;
 - (b) approving the First Report of the Receiver dated June 15, 2018 (the “**First Report**”) and the activities of the Receiver as set out in the First Report;
 - (c) approving the Sale Process (as defined below), including the engagement of TD Cornerstone Commercial Realty Inc. (“**TD**”) as listing agent under the Sale Process;
 - (d) sealing the Proposal Summary (as defined in the First Report) and the TD listing agreement pending further Order of this Court;
 - (e) approving the respective fees and disbursements of the Receiver and its legal counsel, DLA Piper (Canada) LLP, from the commencement of the receivership proceedings to May 31, 2018; and
2. such other and further relief as counsel may request and this Honourable Court may permit.

THE GROUNDS FOR THE MOTION ARE:

3. KSV was appointed as Receiver over all of the assets, undertakings and properties of 228, including the real property located at 250, 252 and 256 Phillip Street, Waterloo, Ontario (collectively, the “**Real Property**”) and the assets, undertakings and properties of 227 LP and 227 Inc. acquired for or used in relation to the Real Property (together with the Real Property, the “**Property**” which for greater certainty, includes but is not limited to, all residential and commercial leases in respect of 256 Phillip Street, the rental income derived therefrom, as well as all agreements and approvals in respect of the Real

Property) pursuant to the Order of the Honourable Mr. Justice McEwen dated February 6, 2018 (the “**Receivership Order**”);

4. the Debtors acquired the Real Property in 2012 and their plan for its development contemplated the construction of four separate registered condominiums which would be rented primarily to university students;
5. as at the date of the Receivership Order, 250 Phillip Street remained undeveloped raw land and 252 Phillip Street was in the early stages of construction. 256 Phillip Street is a 20-storey multi-residential student housing facility that was completed in 2015. It is fully leased for the school year commencing September 2018 and generates positive cash flow;

Approval of the Sale Process

6. pursuant to paragraph 3(j) of the Receivership Order, the Receiver is empowered to market any or all of the Property and to negotiate such terms and conditions of sale as the Receiver in its discretion may deem appropriate;
7. further in that regard, the Receiver has designed a sale process for the sale of the Property (the “**Sale Process**”);
8. the Receiver solicited proposals from six realtors to act as listing agent for the Property and received five proposals. One realtor declined to submit a proposal on account of its representation of a party that may have an interest in submitting an offer for the Property;
9. the Receiver selected three firms to present their proposals to the Receiver and ultimately selected TD to act as listing agent for the Property after taking into consideration, among other things, TD’s experience selling similar properties, its depth of knowledge of the project, its ability to identify opportunities to enhance value on the project and its commission rate and structure;
10. the process of selecting TD as listing agent under the Sale Process was fair and reasonable;

11. the Sale Process and the engagement of TD as listing agent are expected to maximize the value of the Property for the benefit of all stakeholders;

Sealing Order

12. the Proposal Summary and the TD listing agreement, which are attached as Confidential Appendices 1 and 2 to the First Report, respectively, contain confidential and commercially sensitive information, including realtor estimates as to the value of the Property;
13. such information, if made public at this time, could detrimentally affect the price that could be obtained for the Property through the Sale Process;
14. there are no reasonable alternative measures that could be taken at this time to sealing such information from the public record pending further order of this Court;
15. such further and other grounds as set out in the First Report;
16. the relevant provisions of the Receivership Order, the *Bankruptcy and Insolvency Act* and the inherent and equitable jurisdiction of this Honourable Court; and
17. Rules 1.04, 1.05, 2.01, 2.03, 16 and 37 of the *Rules of Civil Procedure*, R.R.O 1990, Reg. 194, as amended.

AND FURTHER TAKE NOTICE that the following materials will be filed in support of the Receiver's motion, namely:

- (a) the First Report;
- (b) the Affidavit of Robert Kofman sworn June 14, 2018;
- (c) the Affidavit of Edmond F.B. Lamek sworn June 14, 2018; and
- (d) such further and other material as counsel may advise and this Honourable Court may permit.

IN THE MATTER OF THE RECEIVERSHIP OF 2284649 ONTARIO INC.,
2270613 LIMITED PARTNERSHIP and 2270613 ONTARIO INC.

AND IN THE MATTER OF A MOTION PURSUANT TO SECTION 101 OF THE COURTS OF JUSTICE ACT, R.S.O. 1990, C. C.43, AS AMENDED, AND SECTION 243 OF THE BANKRUPTCY AND INSOLVENCY ACT, R.S.C. 1985, C. B-3, AS AMENDED

FIRST REPORT OF
KSV KOFMAN INC.
AS RECEIVER AND MANAGER

JUNE 15, 2018

1.0 Introduction

1. This report ("Report") is filed by KSV Kofman Inc. ("KSV") as receiver and manager (the "Receiver") of the assets, undertakings and properties of 2284649 Ontario Inc. ("228"), including the real property located at 250, 252 and 256 Phillip Street, Waterloo, Ontario (collectively, the "Real Property"), and the assets, undertakings and properties of 2270613 Limited Partnership and 2270613 Ontario Inc. (collectively with 228, the "Company") acquired for or used in relation to the Real Property (together with the Real Property, the "Property"). For greater certainty, the Property also includes, but is not limited to, all residential and commercial leases in respect of 256 Phillip Street, the rental income derived therefrom, as well as all agreements and approvals in respect of the Real Property.
2. Pursuant to an Order of the Ontario Superior Court of Justice (Commercial List) (the "Court") made on February 6, 2018 (the "Receivership Order"), KSV was appointed Receiver of the Property. A copy of the Receivership Order is attached as Appendix "A".
3. The principal purposes of these proceedings are to preserve and protect the Property, to deal with claims, including construction lien claims, in a single proceeding and to carry out a Court-supervised sale process for the Property that maximizes value for the Company's stakeholders.

1.1 Purposes of this Report

1. The purposes of this Report are to:
 - a) provide background information about the Company, the Property and these proceedings;
 - b) summarize the recommended marketing process to solicit offers for the development and/or sale of the Property (the "Sale Process"), including the retention of TD Cornerstone Commercial Realty Inc. ("TD") to act as listing agent for the Property;
 - c) provide an overview of the Receiver's activities since the date of its appointment;
 - d) detail the fees and disbursements of the Receiver and its counsel, DLA Piper (Canada) LLP ("DLA"), from the commencement of these proceedings to May 31, 2018, and seek approval of same; and
 - e) recommend that the Court issue an order, *inter alia*:
 - approving the Sale Process, including the retention of TD as the listing agent;
 - approving this Report and the Receiver's activities described herein;
 - sealing the Confidential Appendices to this Report until further order of this Court; and
 - approving the fees and disbursements of the Receiver and DLA as detailed in the affidavits filed by representatives of KSV and DLA in the accompanying motion materials.

1.2 Restrictions

1. In preparing this Report, the Receiver has relied upon the Company's unaudited financial information, discussions with representatives of the property manager, Rez-One Management Corp. ("Rez-One"), representatives of the Company's shareholder and the Company's accounting firm, Grant Thornton Limited ("Grant Thornton"). The Receiver has not performed an audit or other verification of such information. The financial information discussed herein is preliminary and remains subject to further review. The Receiver expresses no opinion or other assurance with respect to the financial information presented in this Report.

2.0 Background

1. The Company acquired the Real Property in 2012. At the time of its acquisition by the Company, the Real Property was known municipally as 256 Phillip Street. The Company's plan for the development of the Real Property contemplated the construction of four separate registered condominiums which would be rented to university students.

2. China Machinery Engineering Corporation ("CMEC") is the Company's principal secured creditor pursuant to a mortgage registered against title on June 9, 2014 and a loan agreement dated June 9, 2014 between the Company and CMEC, as amended. The purpose of the CMEC loan was to fund the Company's construction of the first student residence on the Real Property, which construction was completed in 2015, as more particularly described below.
3. The Real Property is adjacent to the University of Waterloo to the north, on the east side of Phillip Street. In June 2016, the Real Property was legally severed into four parcels – 250, 252, 254 and 256 Phillip Street – and each of the four parcels of the Real Property comprises 1.115 acres and has been zoned and approved for its intended use.
4. Following the legal severance of the Real Property into four parcels, CMEC's mortgage and related land registrations were amended on June 6, 2016 to partially discharge its security against 254 Phillip Street (Parcel "C") in order to allow the Company to transfer title to Parcel "C" into a separate entity, JD Development 254 Phillip Street Limited ("JD 254"), in order for JD 254 to source new financing to develop and construct a student residence, Fergus House, on Parcel C. This development project was completed and tenanted in September 2017. None of Parcel C, Fergus House nor JD 254 are subject to these receivership proceedings.
5. The three parcels which are subject to these receivership proceedings are summarized in the table below.

Parcel	Address	Status
Parcel "A"	256 Phillip Street	<p>In 2015, the Company completed a 20-storey multi-residential student housing facility operating as Blair House. The residence has 426 bedrooms in 106 three, four or five-bedroom units. The facility has commercial units located on the ground floor, which are presently leased to retail tenants (Balzac's Coffee, Share Tea, Ken Sushi, The UPS Store and Bob's Bakery and Noodle House).</p> <p>The Blair House residence is presently fully occupied and generating cash flow. Blair House is expected to be fully leased prior to the school year commencing September 2018.</p>
Parcel "B"	250 Phillip Street	Undeveloped raw land. Intended student housing project to be known as Elora House.
Parcel "D"	252 Phillip Street	Early stage construction. Construction activity was suspended upon the Receiver's appointment on February 6, 2018. The completed student housing project is to be known as Hespeler House.

3.0 Creditors

3.1 CMEC

1. CMEC claims to be owed approximately US\$72 million as at May 2018, plus interest and costs which continue to accrue. The Company disputes the amount of the CMEC debt. The Company believes CMEC is owed approximately US\$54 million. Pursuant to a Court order dated May 7, 2018 (the "May 7th Order"), a timetable was set for a hearing to determine the amount of CMEC's debt (the "CMEC Debt Litigation"). A copy of the May 7th Order is attached as Appendix "B".

3.2 Lien Claimants

1. Since the commencement of these proceedings, fifteen construction lien claims totalling approximately \$12.26 million arising in respect of the construction of Hespeler House on Parcel "D" have been registered on title against the Real Property pursuant to the *Construction Lien Act*, R.S.O. 1990, c. C.30, as amended. Some lien claimants also registered their liens against Parcels A, B and C. A table summarizing the lien claims is provided in Appendix "C".
2. DLA, on behalf of the Receiver, has communicated with each of the lien claimants' counsel. The Receiver has consented to the commencement of lien actions against, among others, the Company, by each of the lien claimants subject to: (a) written confirmation that the actions will be commenced solely for the purpose of allowing the lien claimants to perfect their liens; (b) no further steps will be taken by the lien claimants in the lien actions; and (c) the lien actions are subject to the stay of proceedings in the Receivership Order.

3.3 Unsecured Creditors

1. According to the Company's books and records, as at the date of the Receivership Order, the Company's unsecured obligations totalled approximately \$23.7 million, of which approximately \$13 million was owing to related parties, with the balance largely comprised of amounts owing to trades for construction and other work performed on Parcel "D" prior to the commencement of these proceedings.

4.0 Sale Process

4.1 Request for Proposals from Realtors

1. The Receiver solicited proposals from six realtors to act as listing agent for the Property. The Receiver requested that each realtor provide background information regarding each firm's experience in student housing, knowledge of the Kitchener-Waterloo market, a marketing plan for the Real Property (which considered development options and an outright sale of the Property), an estimate of the value of the Property and the realtor's proposed commission structure. A copy of the request for proposals sent to realtors is attached as Appendix "D".
2. The deadline for proposals was February 23, 2018. Five were received. One realtor declined to submit a proposal as it represents a party which may have an interest in submitting an offer for the Property.

3. The Receiver prepared a summary of the proposals (the "Proposal Summary"), a copy of which is attached as Confidential Appendix "1". The rationale for seeking a sealing order for the Proposal Summary is provided in Section 4.2 below.
4. The Receiver selected three firms to present proposals to the Receiver. Presentations were conducted at the Receiver's offices in early March 2018.
5. The Receiver selected TD to act as the realtor on this assignment. The Receiver considered, among other things, its experience working with TD on other matters, TD's experience selling similar properties, its depth of knowledge of the project, its ability to identify opportunities to enhance value on the project and its commission rate. CMEC has consented to the retention of TD.
6. A copy of TD's listing agreement is provided in Confidential Appendix "2". The Receiver proposes to file the TD listing agreement under seal for the reasons provided below.

4.2 Confidentiality

1. The Receiver is of the view that the Proposal Summary and the TD listing agreement be filed with the Court on a confidential basis and be sealed (the "Sealing Order") as the documents contain information regarding the estimated value of the Real Property which, if made public, may influence the value of the offers submitted in the Sale Process. The Receiver is not aware of any party that will be prejudiced if the information is sealed. Accordingly, the Receiver believes the proposed Sealing Order is appropriate in the circumstances.

4.3 Sale Process

1. The Receiver recommends that the Court issue an order approving the Sale Process summarized in the table below.

Summary of Sale Process		
Milestone	Description of Activities	Timeline ¹
<i>Phase 1 – Underwriting</i>		
Finalize marketing materials	<ul style="list-style-type: none"> ➤ TD and the Receiver to: <ul style="list-style-type: none"> ○ prepare an offering summary; ○ populate an online data room; ○ prepare a form of confidentiality agreement ("CA"); and ○ prepare a Confidential Information Memorandum ("CIM"). 	by July 15, 2018

¹ The timelines related to the preparation of materials for the Sale Process are subject to change based on, among other things, the availability of information required for TD's underwriting process.

2. Additional aspects of the Sale Process include the following:
- a) the Property will be marketed on an “as is, where is” basis;
 - b) parties may bid on some or all of the three parcels comprising the Real Property;
 - c) the Receiver will be entitled to extend the deadline to submit offers if it considers it to be appropriate or necessary in the circumstances;
 - d) the Receiver will have the right to reject any and all offers, including the highest dollar value offer(s); and
 - e) any transaction or transactions will be subject to Court approval.

4.4 Floor Price

1. CMEC is considering if it wishes to participate as a bidder in the Sale Process. CMEC, as the Company's most significant secured creditor, may not be prepared to consent to a sale of the Property unless a certain threshold price is achieved. At the date of this Report, CMEC had not finalized its position in this regard, though the Receiver is advised that internal discussions are ongoing.
2. Approximately one month will be required for TD to complete its underwriting process and to prepare its marketing materials for the sale of the Real Property. The marketing of the Real Property is therefore not expected to start prior to late July 2018, should the proposed sale process order be granted. CMEC will advise the Receiver whether it will require a Floor Price prior to the commencement of the marketing process, (i.e. it will not be obligated to consent to a transaction that is for less than the Floor Price, which, if elected by CMEC, will be an aggregate value not exceeding its confirmed indebtedness plus unpaid property taxes and any unpaid receivership costs to the date of the closing of a transaction). If CMEC elects to require a Floor Price, in the event that none of the offers received are greater than the Floor Price, CMEC will have the right to credit bid its confirmed debt and acquire the Real Property and/or to develop the Real Property within the existing proceedings.
3. In the event that the Sale Process includes a Floor Price, TD will be entitled to a minimum fee provided it performs its mandate as set out in the listing agreement, or as otherwise agreed in writing by the Receiver. The minimum fee will not be payable if: a) there is no Floor Price; or b) TD is determined by the Court to have been grossly negligent or acted with wilful misconduct in the performance of this mandate.

4.5 Sale Process Recommendation

1. The Receiver recommends that the Court issue an order approving the Sale Process, including the retention of TD as the listing agent, for the following reasons:
 - a) the Sale Process is a fair, open and transparent process intended to canvass the market broadly in order to obtain the highest and best offer for the Property;
 - b) the Sale Process provides flexibility for the Receiver to consider various options for the Property, including sale and development proposals;
 - c) the Receiver has worked with CMEC to settle the terms of the Sale Process. It has taken time for CMEC to obtain required regulatory and internal approvals in China;
 - d) inclusion (or not) of a Floor Price will be communicated to the market at the launch of the Sale Process and, accordingly, should not prejudice any prospective purchaser;
 - e) the duration of the Sale Process is sufficient to allow interested parties to perform diligence and to submit an offer. The marketing process is to last approximately seven weeks given the complexity of the development and that it will be listed for sale over the summer. The proposed timeline contemplates that a transaction is likely to be completed following the conclusion of the CMEC Debt Litigation, which will be helpful for the ultimate resolution of these proceedings. In addition, the Receiver will have the right to extend or amend timelines, as appropriate;

- f) TD's team will be led by individuals who have real estate experience in student housing and the Kitchener-Waterloo area. TD has relationships with certain likely bidders for the Property; and
- g) TD's fee structure is consistent with market. In the event there is a Floor Price, TD will be entitled to a guaranteed fee equivalent to the product of its commission rate multiplied by the Floor Price if there is no buyer for the Real Property. The Receiver believes this is reasonable because it is possible that the Floor Price could have a chilling effect on the Sale Process. It is unlikely that a qualified realtor would spend the time and energy marketing the Real Property given this risk without a similar fee structure.

5.0 Funding of these Proceedings

1. On the date of the Receivership Order, there were limited funds on deposit in the Company's bank accounts. On February 13, 2018, CMEC advanced \$100,000 in order to fund operating and other costs in these proceedings. In accordance with the Receivership Order, the Receiver issued a Receiver's Certificate to CMEC for its advance.
2. Since March 1, 2018, these proceedings have been funded from the cash flow generated from Blair House's operations. As at the date of this Report, there is approximately \$1.48 million in the Receiver's bank account. This amount includes approximately \$870,000 of student deposits, which largely represents prepaid rent for the upcoming school year.
3. Property taxes have not been paid since the commencement of these proceedings. The Receiver understands that the Company's property tax obligation totals approximately \$1.3 million, plus interest which continues to accrue at a rate of 1.25% per month. The property tax obligation will be satisfied from the proceeds of a transaction for the Property, unless otherwise satisfied prior to that date.

6.0 Overview of the Receiver's Activities

1. The Receiver's activities over the course of these proceedings have included:
 - a) corresponding with representatives of CMEC, Davies Ward Phillips & Vineberg LLP, CMEC's legal counsel, and/or DLA in connection with all matters in these receivership proceedings, including the Sale Process, dealing with construction lien issues and operational matters;
 - b) corresponding on a near daily basis with representatives of Rez-One regarding cash management and operational matters;
 - c) monitoring the status of the leasing program for Blair House for the school year commencing September 2018;
 - d) corresponding with representatives of Grant Thornton, including in connection with background information, operational issues and tax matters, including HST and corporate tax filings;

- e) corresponding with utility and other service providers to, *inter alia*, arrange for new accounts to be opened and to deal with billing procedures;
- f) reviewing correspondence from legal counsel to lien claimants in connection with their respective claims;
- g) corresponding with legal counsel and reviewing materials filed in the context of the CMEC Debt Litigation;
- h) corresponding with the Company's insurance providers and arranging for the continuation of the Company's insurance policies;
- i) filing the Company's GST/HST returns on a monthly basis;
- j) conducting the realtor solicitation process;
- k) negotiating the listing agreement with TD;
- l) reviewing vendor invoices and processing payments for post-filing goods and services after discussion with Rez-One;
- m) reviewing and commenting on all Court materials filed in the accompanying motion record; and
- n) drafting this Report.

7.0 Professional Fees

1. The fees and disbursements (excluding HST) of the Receiver from the commencement of these proceedings until May 31, 2018 and those of its legal counsel, DLA, for the same period, total \$205,382 and \$107,316, respectively. The fees of the Receiver and DLA include activities undertaken prior to the date of the Receivership Order in connection with preparing for these receivership proceedings. Due to the uncertain recoveries in these proceedings, the Receiver and DLA are deferring a portion of their fees on this mandate subject to the results of the Sale Process.
2. Detailed invoices in respect of the fees and disbursements of the Receiver and DLA for the referenced billing periods are provided in appendices to the affidavits filed by KSV and DLA in the accompanying motion materials.
3. The average hourly rates for KSV and DLA for the referenced billing periods were \$438.38 and \$478.21, respectively.
4. The Receiver is of the view that the hourly rates charged by DLA are consistent with the rates charged by corporate law firms practicing in the area of insolvency in the Toronto market and that the fees incurred are reasonable and appropriate in the circumstances.

8.0 Conclusion and Recommendation

1. Based on the foregoing, the Receiver respectfully recommends that the Court make an order granting the relief detailed in Section 1.1 (1)(e) of this Report.

The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. The provisions of paragraph 12, above, shall apply without limitation to any arrangements entered into by the Receiver pursuant to this paragraph.

PIPEDA

15. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the *Canada Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "Sale"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such

information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtors, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

16. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "Possession") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

17. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

18. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

19. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

20. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

21. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$1,000,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

22. **THIS COURT ORDERS** that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.
23. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as **Schedule "B"** hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

A. Background

- The Receiver is now accepting proposals (“Proposals”) to act as listing agent to solicit sale and/or development proposals for the Real Property. The Receiver may engage one or more realtors to market the Real Property.
- The terms of any sale and/or development process (the “Strategic Process”) and the selection of a realtor(s) are subject to Court approval.
- Copies of all Court materials filed in these proceedings are available on the Receiver’s website at:
<http://www.ksvadvisory.com/insolvency-cases/2284649-ontario-inc/>
- A brief summary of the Real Property is provided below. Additional information is provided in a data room maintained by the Receiver. Realtors can obtain access to the data room once they sign the confidentiality agreement attached as Appendix “B”.

256 Phillip Street, Waterloo, ON (“Blair House”)

- In 2015, the Companies completed a 20-storey multi-residential student housing facility operating as Blair House. The residence has 426 bedrooms in 106 three, four or five-bedroom units, with each bedroom ranging in size from 188 to 251 square feet. The facility has six commercial units located on the ground floor, of which five are presently leased to retail tenants (Balzac’s coffee, Share Tea, Ken Sushi, The UPS Store and Bob’s Bakery and Noodle House).
- The residence is presently fully occupied for the current school year and the pre-leasing program for the next school year is ongoing.

250 and 252 Phillip Street, Waterloo, ON

- The Companies intended to develop a high-rise student residence on each of 250 and 252 Phillip Street. Each property is comprised of approximately 1.115 acres of land. The properties are adjacent to the University of Waterloo to the north, on the east side of Phillip Street.
- Each of the properties has been zoned and approved for their intended use.
- Construction recently commenced on the 252 Phillip Street property; however, all construction activity was suspended upon the Receiver's appointment on February 6, 2018.
- No development activity has commenced on the 250 Phillip Street property.

Shared Facilities Agreement

- The Companies do not own 254 Phillip Street, an adjacent property. This property consists of a fully operational student residence operating as Fergus House. There is a shared services agreement between the Companies and the owner of Fergus House. A copy of the shared services agreement will be provided in the data room.

B. Proposal Submission Deadline

- Proposals are to be submitted to the Receiver by 5:00 p.m. (Toronto time) on February 23, 2018.
